This is an electronic meeting held only on a blog on the Internet. The meeting time will span several days.

Anyone may participate by pointing their browser to <http://ocsgb.wordpress.com>. You may do this from your home computer or any computer with an Internet connection. You may also participate at the school's computer at the receptionist counter top (the anchor location), whenever the school is open.

Board members and the public need not be connected at the same time. A quorum of board members is determined to exist by the number of board members participating in a vote. Anyone may subscribe to the blog to be notified of changes.

Public comments may be posted under the **public comments section** of this meeting's URL. The board may comment on issues raised during this period, but State law does not allow the board to take final action on issues raised during this time (USC 52-4-202 6b).
